

Volunteer Sign Up Sheet for Walk # _____

Team formation occurs twice each year, usually within a few weeks after a set of walks are completed. If you are interested in being considered for a team or to volunteer for other activities, please complete and mail this application to the Registrar (address is listed below). Prior to filling out the volunteer sign up sheet please read Team Member Criteria on page 2. Because of the large number of volunteers and of our commitment to forming teams equally divided among those with much experience, some experience and no experience, not all volunteers can be used each time. However, all volunteer sheets are made available to the upcoming Lay Directors in case of last minute changes to their teams. You will therefor need to submit a new volunteer sheet for each set of Walks for which you want to be considered.
